

ENVISION YOUR FUTURE

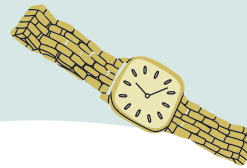

WHAT YOU'LL NEED:

Arkansas Next Magazine
1 pen per student
1 piece of paper per student
A desktop, laptop or cell phone that can access Google Slides/Canva

Discover our quiz in the magazine on **pages 62-63**. Students should take out a pen and take the quiz to figure out how much they need to earn in their career to live the life they've always dreamed of!

Once students are done with the quiz, they will put together a short presentation on how much they need to earn, and showcase three different careers they should consider that make enough money to make this dream a reality.

Students can create a slideshow or simply write out their presentation and share it with the class.
